D No 3956/L

M A SREENIVASAN Esq BA
PRESIDENT CITY MUNICIPAL COUNCIL
MYSORE

The Chief Secretary to the Government
of His Highness the Maharaja of Mysore,
Bangalore

Sir,

Adverting to correspondence ending with your letter No L 6249/M1 223-33-6 dated 9/11-3-35 in the matter of the arrears of water charges amounting to Rs 17,533-9-0 due in respect of chatrams and other -- charitable institutions in the City to end of June 1933, I have the honour to state that with a view to bring this long pending matter to a final settlement, the question was gone into in detail and a note embodying the following proposals was placed before the Council at their meeting held on 19-12-1935

I Educational Institutions

In 1928, a resolution was passed by the Municipal Council to he effect that all bonafide Educational Institutions be given free supply of water As the said resolution made no distinction between rent-free and rent-levying institutions, the concession came to be applied in respect of all Educational Institutions alike But this concession was withdrawn in so far as it applied to institutions of the latter type by resolution No 203 dated 19-12-1931 which said that water charges should be levied on all institutions that levied rent So, such of the institutions that levied rent became liable to be charged for water supply from 19-12-1931 anwards at the rate obtaining during the period upto 1-7-1933 from which date the revised rules came into force

The following 3 institutions which claim to be rent-free ones were thus entitled to free supply up to 30-6-1933 Accordingly, it was proposed that the arrears due in each of these cases to end of June 1933 be written off the accounts, the arrear demand in these cases being evidently a wrong demand

1) Anathalaya near Subbarayanakere

2) Mission Orphanage in Nazarbad

3) Ursu Boarding School (This is a Palace building The demand in this case has been withdrawn by the Council)

As regards the Central Institute for Defectives, orders of Government have since been received approving of the write off of the arrears due to end of June 1933 as recommended by the Council

The Other Educational Institutions which are now classed as levying rent are these shown in statement A appended to the accompanying note It was proposed to give these institutions the benefit of the reduced rate of 8 annas per 1000 gallons applicable from after 1st July 1933, which would practically amount to asking them for only a half of the sum originally demanded This concession was proposed with a view to mitigate the hardship pleaded by the institutions, particularly on the score that the students from whom the charges could have been collected had left the -- institutions

II Chatrams

Prior to July 1925, a certain free allowance was allowed to each chatram (except Ahimmiahchari's which came into existence recently) and the excess over the free allowance was being charged for So, it was suggested that no concession need be given in respect of the 4 chatrams, vide items Nos 15, 16 and 17 of statement B and that noted in statement C appended hereto, in regard to the arrears due to end of June 1925

From 1-7-1925, chatrams were exempted from payment of water charges, vide Government Order No L 41-47/M1 101-24-14 dated 2-7-1925

The levy from March or April 1932 was apparently made in pursuance of the Council's Resolution No 203 dated 19-12-1931 referred to in Para 2 Supra, directing that all rent-levying institutions might be charged for water

With a view to mitigate the hardship caused to the institutions owing to the suddenness of the demand complained of, it was proposed that in the case of chatrams also a portion of the

arrears might be recovered, but only to the extent of the charges payable according to the revised rules which came into existance from 1-7-1933, free allowance for the said period being reckoned at the rates recommended by the Special Committee constituted for the purpose, as noted in Column 4 of Statement B

One of the chatrams known as "the Vardhamaniah's chatram and Boarding home" being a combined institution consisting of a temple, a chatram and a students' hostel, it was recommended that the arrears due to end of June 1925 be recovered and that for the period from December 1932 to end of June 1933, a free allowance of 1/3rd of the monthly consumption to the temple and 5000 gallons per month in addition to the Dharmasala be allowed, the excess over the free allowance being charged for at 8 annas per 1000 gallons

As regards Vithavilas Dharmasala the demand is proposed to be withdrawn, as it is a palace building The question will be separately placed before the Council in this matter

III Other institutions

As regards the other institutions of a miscellaneous character such as Ashrams, Mutts etc , which claimed to come under "charitable Institutions", no general concession was deemed necessary, as the revised rules which came into force from 1-7-1933 did not contemplate the grant of any concession to them except to such of them as were consecrated to religious worship

A copy of my note (together with the enclosures relating thereto) embodying the above proposals and a copy of the Council's Resolution No 225 dated 19-12-1935 approving of the proposals contained in the note are submitted herewith

I request that sanction may be kindly accorded to the proposals of the Council as above at an early date, as the proposals are in conformity with the view expressed in your letter No L 4128/M1 223-33-4 dated 4/12-12-34 viz , that the recoveries of the charges at least at the concessional rates sanctioned from 1st July 1933 cannot be regarded as unfair

As regards the Educational Institutions now classed as levying rent, I beg to add that if any such institution is prepared to establish satisfactorily that it is a rent-free one, each such case will be considered and disposed of on its merits

I have the honour to be,

Sir,

Your most obedient servant,

President

Council's Resolution No 351 dated 24-2-1934 sanctioning the write off of Rs 17,533-9-0 being the arrears of water charges due in respect of chatrams, educational and other institutions to end of June 1933, and letters Nos.L.4128/M1,233-33-4 and L 3949/M1. 73-33 6 dated 4/12-12-34 and 9/11[illegible]-1935 respectively from the Chief Secretary to Government to the effect that Government see no reason to write off the heavy amount of arrears and that steps may be taken to recover them.

N o t e

The institutions in respect of which the arrears were proposed to be written off by the Council in their Resolution quoted above may be classified as follows:-

	Rs	A	P
1) 24 Educational Institutions	10,658	12	0
2) Chattrams (1)	4,523	0	0
3) 11 Institutions of a Miscellaneous nature such as Ashrams, Mutts,etc ,	2,351	13	0
Total	17,533	9	0

1 Educational Institutions

In 1928, a resolution was passed by the Municipal Council to the effect that all bonafide students' hostels be given free supply of water As this resolution made no distinction between institutions that were rent free and those that levied rent, the concession came to be applied in respect of all educational institutions alike But this concession was withdrawn, in so far as it applied to institutions of the latter type by resolution No 203 dated 19-12-1931 which said that water charges should be recovered from all institutions which levied rent So, such of the institutions that levied rent became liable to be charged for water supply from 19-12-1931 onwards at the rate obtaining during the period up to 1-7-1933 from which date the revised rules came into force

Therefore the levy made from March or April 1932 to end of June 1933 on the educational institutions that levied rent appears to be in order If this view is accepted, the arrears shown as due would have to be recovered as observed by Government from all except the following institutions:-

1 Ananthalaya and (2) Mission Orphanage Being rent free institutions, the arrear demands have to be cancelled, the demand in each of these cases being an erroneous one

3 Ursu Boarding School This is a Palace Building The demand has been separately withdrawn by the Council

4 Central Institute for Defectives A separate note is placed before the Council regarding this

If any of the other institutions now classed as levying rent is able to establish to the satisfaction of the President that it was a rent-free one during the period, such cases could be considered on their own merits as they arise The institutions complain that the levy of these charges now works as a great hardship, particularly as the students fromwhom the charges could have been collected have left the institutions In the circumstances, it is

17

suggested for the approval of the Council that these institutions be given the benefit of the reduced rate of 0-8-0 per 1000 gallons applicable from after 1st July 1933, which would practically amount to asking them for only a half of the sum now demanded as will be seen from the statement appended. This proposal is likely to meet with the acceptance of Government in view of the suggestion made in their letter of the 12th December 1934 "that the recoveries of the charges at least at the concessional rates sanctioned from 1st July 1933 cannot be regarded as unfair"

Statement A

2 Chattrams Prior to July 1925, a certain free allowance was allowed to each chattram (except -- Thimmaiachari's which is a new one) and the excess over the free allowance was being charged for. So no concession is admissible in respect of the arrears due to end of June 1925. From 1-7-1925, Chattrams were exempted vide Government Order No L 41-47/M1 101-24-14 dated 2-7-1925

The levy from March or April 1932 was apparently made in pursuance of the Council's Resolution No 203 dated 19-12-1931 directing that all institutions levy the rent may be charged for water

The Chief Secretary in his letters quoted above has observed that the resources of several of them appear to be more than ample to pay the arrears and that action may be taken for recovery

To settle this vexed question finally, it is suggested for approval of the Council that in the case of Chattrams also a portion of the arrears may be recovered from each of them, but only to the extent of the charges payable according to the revised rules which came into effect from 1-7-1933, free allowance for the period from March 1932 to end of June 1933 being reckoned at the rates sanctioned by the special committee on 10-4-1935. In other words the benefit of the concession sanctioned from 1st July 1933 may be applied retrospectively and the charges now demanded from them for the period between March 1932 and June 1933 be revised accordingly and collected. This would amount to a substantial reduction approxmating to half of the present demand as will be seen from the appended statement

Statement B

3. Other Institutions Many institutions of a miscellaneous character such as Ashrams, Mutts claim to come under "Charitable Institutions" Even the revised rules which came into force from July 1933 do not contemplate the grant of any concession to such institutions except to such portion which is consecrated for religious worships. There appears to be no strong reason to press for any concession in regard to these institutions except in respect of the following institutions and to the extent suggested

(a) Vardhamaniar's Boarding Home, Temple and Dharmasala

It is meant that a temple, Dharmasala and a Students' home are located in one and the same building hence, for the period during which water rate has been levied at Re 1/- without any free allowance, the arrear claim may be revised as follows:-

1 Free allowance of 1/3 of the total consumption of water per month for the temple

2 The demand in respect of the Dharmasala and the Students' Home to be revised as per statement appended extending retrospectively the benefit of the concessions granted from 1st July 1933

2 Letter No L 6249/M 1 223-33-6 dated 11 3 1935, from the Chief Secretary to Government to the President, City Municipal Council, Mysore, stating that the resolution of the Municipal Council to write off the arrears of water charges amounting to Rs 17,553-9-0 due in respect of Educational Institutions, Chattrams and other Charitable institutions in the City to end of June 1933, according to the demand made under the orders then in force, cannot be sanctioned and that the recovery of the charges at least at the concessional rates sanctioned from 1st July 1933 in the Government Order of 4th October 1933 cannot be regarded as unfair

3 Letter No G T.1802 dated 26 2 1936, from the President, City Municipal Council, Mysore, stating that the Municipal Council have reconsidered the whole question and approved of the following proposals made by him and soliciting sanction to the resolution of the Municipal Council :-

Educational Institutions -

(1) To write off the arrears of water charges due from the following institutions which claim to be rent-free and which are entitled to free supply of water up to 30 6 1933 -

(a) Anathalaya near Subbarayanakere,
(b) Mission Orphanage near Nazarabad,
(c) Ursu Boarding School,

(2) To levy water charges from 19 12 1931 to end of June 1933 in respect of the other institutions, which levy rent, at the concessional rate of 8 annas per 1,000 gallons applicable from after 1 7 1933, which would practically amount to asking them for only half the sum originally demanded

Chattrams -

(1) To demand the full arrears without granting any concessions in respect of the following, as the arrears relate to the period prior to July 1925 and as sufficient concession had already been given to these institutions then

(a) Dasasetty's Chattram
(b) Thunga Adappa Chetty's
(c) Kadiah's Chattram

(2) To give free allowances of water to the extent noted,

noted, in respect of other Chattrams and to levy excess water charges over the free allowance at the concessional rate of 8 annas per 1,000 gallons from March 1932 to end of June 1933

Other Institutions of a miscellaneous character -

(1) To allow no concession in regard to the institutions such as Ashrams, Muttas etc , which claim to be charitable institutions, except to such portions which are conseerated to religious worship.

(2) To revise the arrear claim due from Vardhamaniah's Boarding Home, temple and Dharmasala as follows -

(a) to recover the arrears to end of June 1925.

(b) to give for the period from December 1932 to end of June 1933 free allowance of 1/3 of the total consumption of water per month for the temple and 5,000 gallons per month to the Dharmasala and to charge for the excess over the free allowance at 8 annas per 1,000 gallons
